DID YOU KNOW

Witnessing violence between one's parents or caretakers is the strongest risk factor of transmitting violent behavior from one generation to the next.

TOGETHER WE MADE A DIFFERENCE FOR CHRISTMAS

Women in Need would like to thank all the local businesses, organizations and individual families that helped during the Christmas Season. With the help of those in the communities of Rockwall and Hunt Counties, we were able to put smiles on the faces of over 50 families during the Christmas Holiday. The generosity of everyone certainly brought tears to the eyes of many mothers and eliminated the stress of how they were going to put gifts under the tree for their children this year.

Both WIN offices held Christmas Parties for the clients the week of Christmas where gifts were distributed to mothers and the children got a visit from Santa. Thank you to our amazing volunteers who helped in making our parties a success!

The support and generosity of the community is greatly appreciated and together we are making a difference!

Women In Need is looking for sponsors for it's Annual Chocolate Indulgence Fundraiser on Friday, February 6th at Allure Restaurant. There are different levels of Sponsorship, which allows free advertisement on our signage, newspaper and online articles. Plus it gives you free tickets for dinner, dancing, silent auction and lots of chocolate. Great opportunity to celebrate Valentine's Day early.

Individual and couple tickets are also available if you or someone you know would just like to attend the event. We are also looking for silent auction items. If you are able to donate for the silent auction or would like to purchase tickets or sponsorship, please contact the Rockwall office at 972.772.3000 or the Greenville office at 903.455.4612.
