Chocolate Indulgence - Fri., Feb. 6, 2015

DID YOU KNOW

Domestic Violence Statistics indicate that every 9 seconds in the US a woman is assaulted or beaten.

Christmas Adopt A Family

Many of the clients we serve are uncertain how they are going to provide a nice Christmas for their families this year. WIN is looking for individuals, families, groups to adopt a family for Christmas. Stop by Legend Salon in Rockwall and visit the "Angel Tree" to pick the family you would like to help during this Christmas Holiday. Together we can make a difference and make this holiday memorable.

Women in Need took part in the North Place Church Compassion Challenge on Sunday, November 2nd. The event took place at the church's Sasche location where WIN and other area non-profit organizations competed for a \$5000 prize by presenting information to the congregation and bringing the largest support group consisting of volunteers and staff. During the event, members of the congregation had the opportunity to learn more about each organization and sign up as a volunteer to assist with organizational events and current projects throughout the week. WIN may have come in third place in the competition, but has had the opportunity to meet and work with some amazing people throughout the week.

GLOW RUN

Harry Myers Park was glowing on Saturday, October 18th during WIN's First Annual "Shine a Light on Domestic Violence" Glow Run. Close to 200 people participated in this fundraising event to help raise money for WIN and to help bring awareness to the Rockwall Community regarding domestic violence. Those in attendance enjoyed a bounce house for the kids, music, pizza, vendor booths, door prizes and a luminated race path.

Special thank you to Rockwall Running Club for being there to time the race, all of our volunteers that helped set up, clean up and help throughout the evening in so many ways, all of our racers. A great big thank you to our sponsors: The OB-GYN Place of Rockwall, Rockwall Area Chamber of Commerce, Bella Pelle Medspa, Modern Woodmen Fraternal Financial, Legend Salon, Regional Plastic Surgery, Epstein & Kolacz, Les T. Sandknop, DO, PA, Rockwall Economic Development Corporation and Alliance Bank. Thank you to Pizza Cucina, Andy's Pizza and Luigi's for their generous donation of pizzas for the participants after the race.
